3 Ways to Move Your Business to Texas

Conversion
Moving the business
as a whole

- ✓ Keeps the same EIN, vendor qualifications, and tax benefits.
- ✓ Maintains contracts and business history.
- ✓ Simplifies employee and asset transfers.

- ✗ Requires approval from both states.
- ✗ State-specific fees and regulations.
- ✗ Can take 3-4 months.

- Companies with significant vendor qualifications, tax benefits, or many employees.

Dissolution & Reincorporation
Starting fresh in Texas

- ✓ Eliminates past liabilities.
- ✓ Provides a fresh start.
- ✓ Can simplify compliance for some businesses.

- ✗ Loss of business history, vendor contracts, and tax benefits.
- ✗ Requires asset and employee transfers.
- ✗ Administrative hassle of updating records with banks and vendors.

- Small businesses or companies wanting a clean slate or major restructuring.

Foreign Registration
Expanding
without moving

- ✓ Maintains original business entity.
- ✓ Avoids complex conversion/dissolution processes.
- ✓ Ideal for short-term operations or market testing.

- ✗ Requires compliance in two states.
- ✗ Dual tax reporting.
- ✗ Limited long-term viability for full relocation.

- Companies testing the Texas market or those with multi-state operations.
